

## General Regulations for the Storage of Empties and Annual Storage of Stand Material

### Storage of Empties during the Exhibition

When ordering, please indicate the estimated storage volume you will require.

The empties will be picked up from the stand by the Exhibition's forwarding agent before the beginning of the exhibition and taken back there again after the end of exhibition.

The express rate ensures that the stored goods will be returned to your stand within the confirmed time after the end of the exhibition. The express delivery must be arranged when the empties are picked up at the latest.

MCH Swiss Exhibition (Basel) Ltd. (hereinafter referred to as "MCH") reserves the right to deposit exhibition goods in warehouses outside the exhibition venue.

### Payment for Storage of Empties

The charges will be invoiced immediately after the exhibition.

### Contravention/Liability

The exhibitor is liable for damage and any disturbances that arise from the failure to observe the General Regulations of the Exhibition, the general regulations pertaining to this form or the instructions given by Exhibition employees.

### Annual Storage

MCH offers the possibility for regular exhibition participants to store their entire stand material between exhibitions.

### Storage Locations

MCH reserves the right to deposit exhibition goods in warehouses located outside the exhibition venue.

### Payment for Annual Storage

This service will be invoiced annually.

### Storage Slip

After the order form has been signed with a legally binding signature, you will be sent a storage slip which you should fill in immediately and send back to MCH.
