

L'Entrée

L'Entrée is just a stone's throw away from the Congress Center Basel. It is accessed via a generously dimensioned foyer on the ground floor, from where an escalator leads up to this spacious room on the first floor. The area is ideally suited to banquets, seminars, press conferences and events.

The room holds 600 people, and banquets are possible for up to 370. L'Entrée is linked directly to Halls 1 and 3 at Messe Basel. During trade fairs, organisers frequently use the infrastructure to stage accompanying events.
