

Foyer

The 2,400 square-metre foyer on the second floor forms the heart of the Congress Center Basel. This multi-purpose communication platform offers the ideal setting for banquets, receptions, presentations and exhibitions. The foyer features an integrated bar, cloakroom, registration area and information desk. This one-of-a-kind room is defined by the eye-catching architecture of its commanding open

staircase, an inviting terrace and a spacious floor plan. The foyer offers direct access to the Montreal Auditorium, the two large congress rooms, Singapore and Sydney, and the six smaller rooms (Guangzhou, Hongkong, Mexico, Miami, Nairobi and Rio).
